

I am writing on behalf of all listeners of K-Love. Our family helps to contribute to K-love financially. We do this because of the value it adds to our lives and to the others in the local community. If K-love(104.3 for us) were to be displaced to LPFM, our family and others would be affected greatly. This service provided by K-love is unlike any other. It benefits the community by enlightning others about the love of Jesus Christ. The public has the right to hear this message of Love!
